

ATTACHMENT A

Acknowledgement Form for Students Affected By the Computer Networking Technology Closing

I, _____, was enrolled at Computer Networking Technology at the time of the school closing on June 13, 2001 and had not completed my course of study at Computer Networking Technology at the time of the closing. I understand that SLM Financial Corporation has arranged for Camden County College to complete my training program at no additional cost to me. I understand that Camden County College will not begin my classes until I sign this Acknowledgement Form. By signing this Acknowledgement Form, I agree to attend classes and complete my training program at Camden County College and remain responsible for paying the remaining balance of the loan(s) I obtained through SLM Financial Corporation, including principal, interest and fees. In addition, I authorize Computer Networking Technology to release copies of my academic transcript or similar records to Camden County College in order to effectuate the completion of my program of study. I have read and fully understand the terms and conditions set forth in this document and acknowledge that I am voluntarily signing this Acknowledgement.
